With a ministry and musical heritage that spans over 48 years, it wasn't until 1991 that the Wishons came on the scene like you see them now. In the years since, they've continued to garner much attention with their unique blend of family harmony. The Wishons have enjoyed a wide variety of ministry opportunities and in each setting one thing is certain, the name of Jesus will be exalted, the Gospel will be presented, and His saints will have a good time in the Lord! Each member of this singing family is sincere in their love for the Lord, sincere in their love for the music they sing, and sincere in their need to spread the Word to others through their music.

The Wishon name is anything but new to southern gospel music. In 1961, group members, Edwin and Jane Wishon began their singing ministry with the Gateway Quartet. Even during the early years of singing, Edwin and Jane prayed that someday they would be able to travel and sing as a family. In 1985, God answered their prayers, with their son John joining his parents to sing as The Wishons. The family's harmony became complete in 1991 with John's marriage to Jackie, at which time she began singing with the family.

Edwin and Jane have now retired from their public jobs and are more excited than ever about singing. John and Jackie are owners and full time employees of WWWC radio station in Wilkesboro, NC, which plays southern gospel music. In fact, John is a winner of the Singing News Fan Awards Southern Gospel Small Market DJ of the Year. In addition, WWWC has been voted AM Radio Station of the Year.

Since John accepted the call into evangelism in 1997, the Wishons ministry has experienced God's blessings more than ever before. When the weekend rolls around, all the Wishons are thrilled about the opportunity to sing, preach, and minister for the Lord.
